

COUNTY OF

ALLEGHENY

**RICH FITZGERALD**  
COUNTY EXECUTIVE

April 3, 2023

George Macino, Township Manager  
Collier Township  
2418 Hilltop Road, Suite 100  
Presto, PA 15142

**RE: Upcoming Allegheny County Road Work  
Campbells Run Road (County Road Nos. 6072-03 and 6072-08)**

Mr. Macino:

The Allegheny County Department of Public Works is completing its plans for road work during this year's construction season. We expect to mill and pave Campbells Run Road between Steubenville Pike (Route 60) and McMichael Road at some point this year. When we get close to starting work on that road, you will be notified via email by the department's Public Information Officer, Brent Wasko.

Please note that it is always possible that because of weather, equipment malfunctions, or unexpected work required of our crews, we might be forced to delay the road work until next year.

No detours will be needed during construction. Drivers can expect to experience short stoppages in work zones, and flaggers will be used to control traffic. The work likely will be performed between 6 a.m. and 6 p.m. on weekdays.

In anticipation of the upcoming work, please do the following:

- Ensure that necessary risers are purchased or in stock for all municipal-owned manholes located on the previously mentioned road. If you provide the county with the risers prior to our work, we will install them. After our work, installation will be the municipality's responsibility. Please contact Darren Schuckman, Paving Supervisor, at 412-552-4976 with any questions about risers and to coordinate delivery, as needed. If you can't reach Mr. Schuckman, please contact George Thompson, Deputy Director, at 412-287-1041.
- Review all municipal-owned facilities (sidewalks, curbs, inlets, utilities, etc.) on or near the previously mentioned road to make any necessary adjustments, repairs, and debris removal prior to the start of our work.
- Advise us of any known construction projects or permits granted that might affect our work or nearby traffic.

STEPHEN G. SHANLEY, P.E., DIRECTOR  
DEPARTMENT OF PUBLIC WORKS

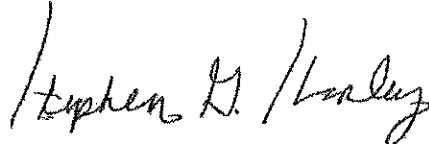

501 COUNTY OFFICE BUILDING • 542 FORBES AVENUE • PITTSBURGH, PA 15219  
PHONE (412) 350-4005 • FAX (412) 350-5386 • WWW.ALLEGHENYCOUNTY.US

- Forward notification of our upcoming work to your emergency services, schools, garbage service, and mail service as well as to any residents or businesses that might be impacted.

Thank you for your attention to this matter. If you or a local resident or business have any questions or concerns in advance of or during our work, please contact Brent Wasko at [brent.wasko@alleghenycounty.us](mailto:brent.wasko@alleghenycounty.us) or 412-350-2451.

Sincerely,

Stephen G. Shanley, P.E.  
Director
