## MAXIMUM HOOPS

Camp will consist of **professional coaching** from expert player development coach, **Steve Brodzinski**. Coach Brodzinski, is the founder of Maximum Hoops Player Development, with experience coaching in every level of basketball. He has also helped develop some of the top high school players in Western PA over the past 16 years.

Each day of camp will consist of **stations & skill work**, a **move of the day**, **contests and competitions**, along with **“live” play**. Your child will be challenged to work hard, learn, and also have fun during the week of camp. The goal is to get better each day, while learning **new drills, concepts, and skills** that your player can take with them to work on for the rest of summer.
