Keeping residents informed, engaged, and connected

Conversations with Collier

Straight from the Collier Township Board of Commissioners, **Conversations with Collier** serves as a direct line of communication between the township and its residents. This month, we're taking a moment to recognize and thank our dedicated Public Works Department.

MEET THE TEAM KEEPING COLLIER MOVING THIS WINTER

INSIDE COLLIER'S PUBLIC WORKS DEPT.

Behind every clear road and well-maintained public space in Collier Township is a dedicated 14-member Public Works crew working tirelessly behind the scenes.

The department is responsible for maintaining and constructing the Township's public facilities while keeping residents safe during the harsh winter season. From snow plowing, road repairs, and storm sewer maintenance to caring for parks, public buildings, and municipal vehicles, this team plays a vital role in the daily life of our growing community.

Their work also extends to leaf pickup, traffic safety markings, and support for public events, ensuring Collier remains safe, clean, and connected year-round.

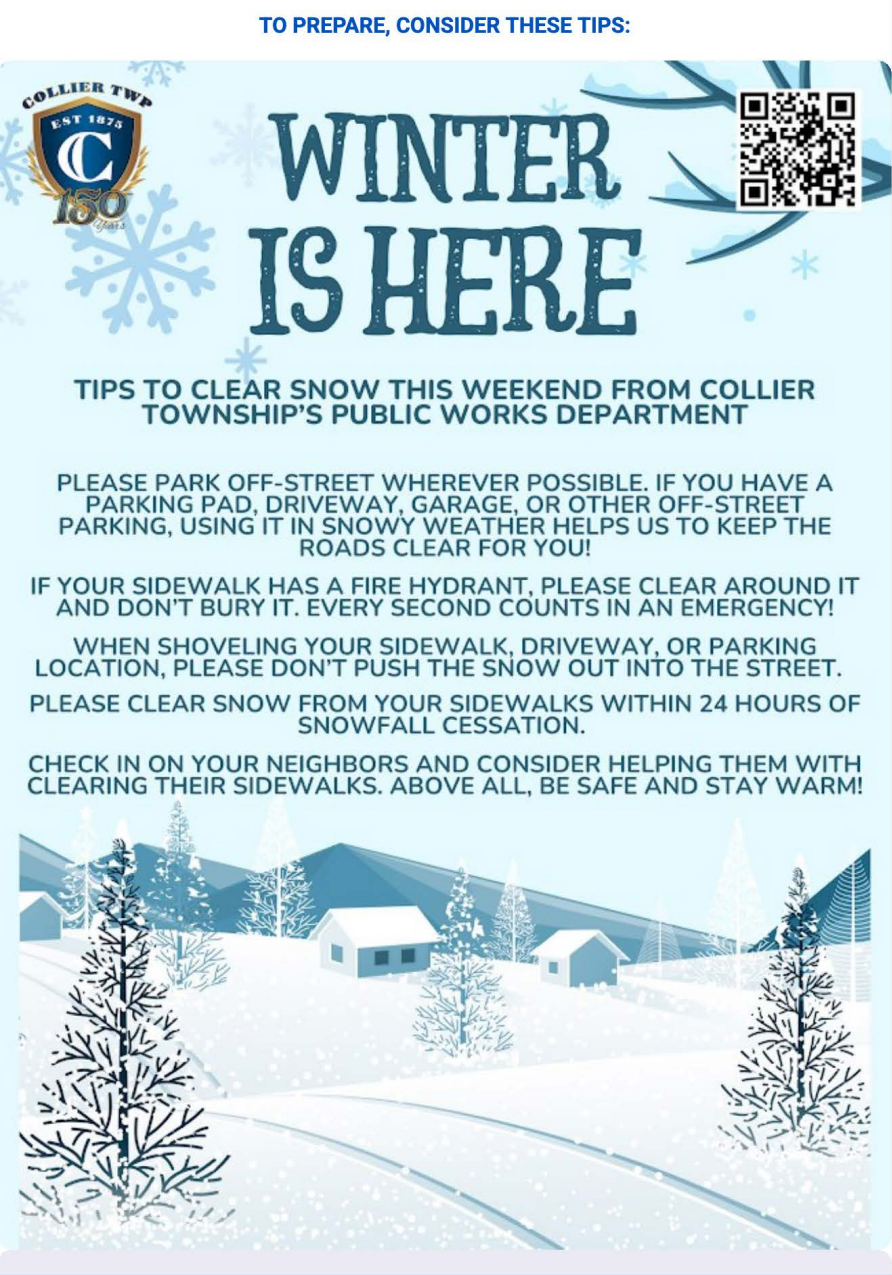
SAFETY UPDATE

WINTER TIPS FROM COLLIER TOWNSHIP

TO PREPARE, CONSIDER THESE TIPS:



WINTER IS HERE

TIPS TO CLEAR SNOW THIS WEEKEND FROM COLLIER TOWNSHIP'S PUBLIC WORKS DEPARTMENT

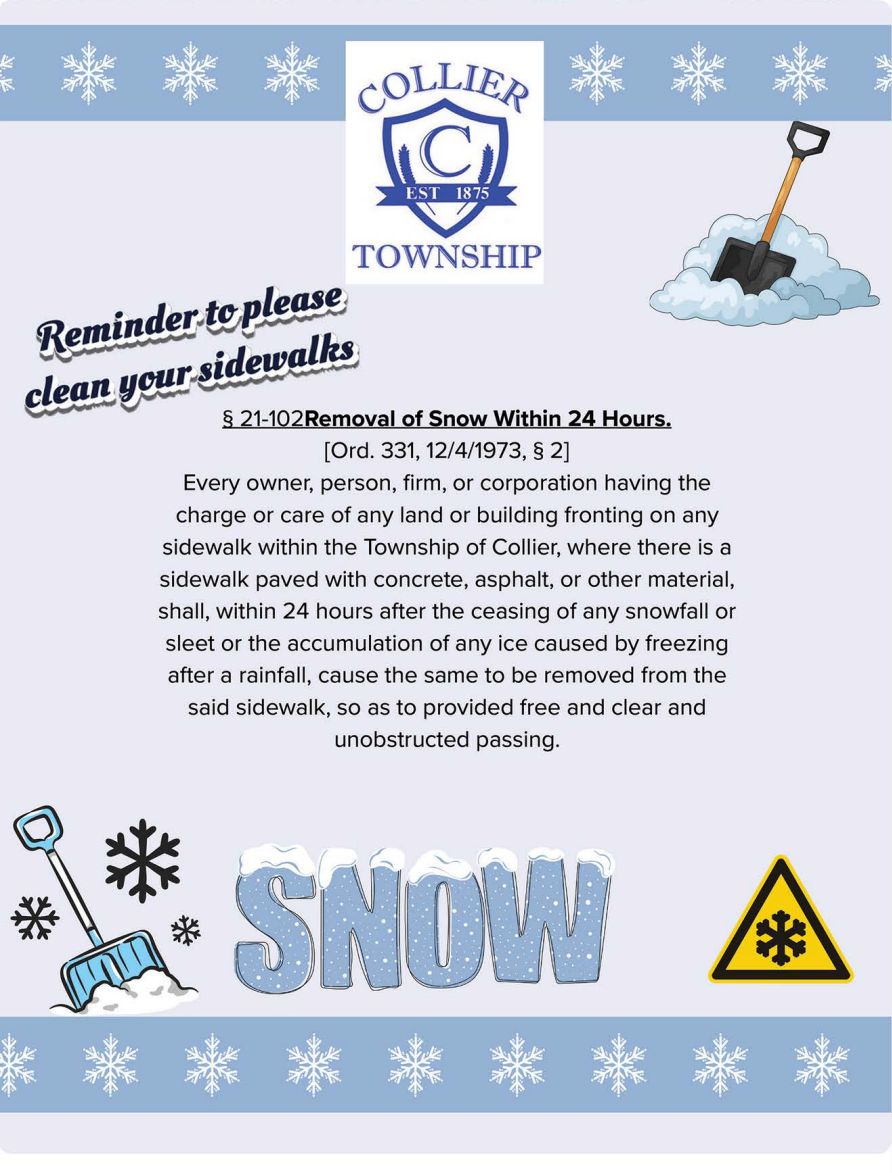
PLEASE PARK OFF-STREET WHEREVER POSSIBLE. IF YOU HAVE A PARKING PAD, DRIVEWAY, GARAGE, OR OTHER OFF-STREET PARKING, USING IT IN SNOWY WEATHER HELPS US TO KEEP THE ROADS CLEAR FOR YOU!

IF YOUR SIDEWALK HAS A FIRE HYDRANT, PLEASE CLEAR AROUND IT AND DON'T BURY IT. EVERY SECOND COUNTS IN AN EMERGENCY!

WHEN SHOVELING YOUR SIDEWALK, DRIVEWAY, OR PARKING LOCATION, PLEASE DON'T PUSH THE SNOW OUT INTO THE STREET.

PLEASE CLEAR SNOW FROM YOUR SIDEWALKS WITHIN 24 HOURS OF SNOWFALL CESSATION.

CHECK IN ON YOUR NEIGHBORS AND CONSIDER HELPING THEM WITH CLEARING THEIR SIDEWALKS. ABOVE ALL, BE SAFE AND STAY WARM!



Reminder to please clean your sidewalks

§ 21-102**Removal of Snow Within 24 Hours.**
[Ord. 331, 12/4/1973, § 2]

Every owner, person, firm, or corporation having the charge or care of any land or building fronting on any sidewalk within the Township of Collier, where there is a sidewalk paved with concrete, asphalt, or other material, shall, within 24 hours after the ceasing of any snowfall or sleet or the accumulation of any ice caused by freezing after a rainfall, cause the same to be removed from the said sidewalk, so as to provided free and clear and unobstructed passing.

Pennsylvania American Water Urges Customers to Be Prepared during Sub-Freezing Weather

As temperatures across the Commonwealth reach sub-zero levels, Pennsylvania American Water encourages customers to prepare their home and pipes, providing handy tips to help avoid costly repairs and unwanted stress from frozen pipes. To prepare now, consider the following tips:

- Know how to shut off your water
- Test your main water shut-off valve
- Check sprinkler or irrigation systems
- Eliminate sources of cold air near water lines
- Thaw a frozen pipe by warming the air around it with a hair dryer, space heater, or hot water
